April 21, 2021

Upper Long Cane PC Family:

The Session met recently and voted to resume many of our former ministries and church activities in the upcoming months. We would like to take this opportunity to inform everyone of the new changes to our calendar, as well as our ongoing safety measures.

Beginning May 2nd ULCPC will resume both adult and children's Sunday School classes at 10:00 am. Our monthly Coffee and Doughnuts Social will be at 10:30 am on first Sundays. The Nursery and Children's Church will be available during the 11:00 am worship hour. The Choir will begin practicing again at 3:00 pm with distanced seating.

The Long Canites, Men of the Church, and Ladies' Circle #2 groups will resume meetings in May as well. Look to future bulletins and our Facebook page for updates on dates and times of those meetings.

Plans are also underway for upcoming events. Kickball with Abbeville Presbyterian Church, Vacation Bible School, and the annual Summer Splash are all being organized. We will announce details on all those activities as soon as they are decided.

While vaccinations are on the rise and many activities are resuming, we remain aware of the seriousness of covid-19. We want all who worship at Upper Long Cane to feel and be safe. We will continue to stream our worship services on Facebook live for those not yet comfortable attending in person. Also, we still encourage social distancing between other congregants, frequent hand washing and sanitizing, and wearing face coverings in public spaces.

In Christ's service,

Jennifer E. Pruitt
Secretary

ON BEHALF OF THE SESSION OF UPPER LONG CANE PC
